BREAT HING TROUBLES.

We take pleasure in anomacing their venice remains a management with the publisher of the Chicago Wester and the publisher of the Chicago Wester and Tan Berger father and Tan Berger

The way we have of those two publications. The airgis feature of full and triestorely. Chicago nambet quotations will be worth, to many do our readers, the entire sobscription price.

To those who are not familiar with the character of the Chicago News, we would say It is the bast representative in findependent journalism in the west. The Weeks I News is a large eight column folio, "eram lull" of relegraph and general news, short and pithy editorials on the topics of the large, written in a familiar, yet incinive style, and in all its deportments evidently aimsigs and line writing which readers on many of the large metropolitical journal "in wearings to the like her report the proposition of the large metropolitical journal" in wearings to the like her. Parts, not words, appearance, to the like her.

PERSONAL.

Hon. Ibvid H. Murray arrived yesterday morning at four o'clock, two weeks out from Landville.

Miss Netlic Burks, of Breckenridge county, s visiting Mrs. John H. Hancsck,—[Louisvitte Sunday Areas.

Miss Amande Burks, of Holt's Bultom, spent faw days to the city last week, the guest of

Nr. Reiph B. Walker, as old citizen of this unty, but now a resident of Kesses, is here a short visit to relatives end friends.

The same hangs to mother earthin 1908, like white on a treate here.

The ice began running two weeks ago resterday, and still it comes.

J. L. Miller has the Largest Stock of Joses and Director is (Loverport. The blackwaiths seems to be the only men to have been assessed on the state of the still be paid off in like manner. It is not with our defined group harmon.

The blackwaiths seems to be the only men to the still be paid off in like manner this formed and official soon raw will be the still be paid off in like manner. It is formed and official soon raw will have due effect in preventing the still be still be paid off in like manner that formed and official soon raw will have due effect in preventing the still be still The blacks with a secon to be the only men in town who ore doing ony basiness.

The Chus. Morgon was the first boat down. She passed last Wednesdoy afternoon. New York city has fifty thousand more population than Chicago, Boston and St.

It tried awhil hard to give os a heory low Saturdoy night and Sonday, but the est wind proved too strong.

A. B. Fisher.

STATEMENT of the Condition of the Brerkin-ridge Bruk, Toverport, Kv., at the rlose of Bustness on December 31, 1880;

A pleasant way to pass off these long win-The Wildow Legrand has a wood-chopping text week, and has promised the boys a e for perusal of good books, written by the best authors. And now that the works of all the best authors are being this asid that Julia Howe McAdams has to been out of the house since the cold set printed in cheap form, Last week aome person poisoned Hezzy it places them within Pullan's dog, that was a pup when he was the reach of all. No Jack Brane bought four roosters from ill Snooks Tucker, and they are about to at all of his tallow. I guess they will get themselves for having went "nothing to read," Luke Waltrip moved a few days agn, and if ha stays there until his provisions give out, he will never get away. Doctor Burned killed a calf, and he is chase any of the books now on the hunt for onions to make hadi. now on the hunt for onions to make healt.
Morris Laces set a rome for a rabiti and hung one of Joe Prizies' leomed. I gress they will have it out when they meet.
Billy Mr. has not quit wewing cottonand breeches yet. I guess winter has hardly becaus. 15 Compared the line of the Control Lawrencebing, Ambronn Co., Ny.
